Sandy Cove Factsheet

Location

Sandy Cove is located on the West Coast of the island, in the tourist town of Flic en Flac. This popular beach destination offers a great variety of restaurants, bars and nightclubs that are just a short walk away from your accommodation.

Other attractions nearby include the spectacular Casela World of Adventures, where you can ride a rollercoaster, feed giraffes, walk with lions and so much more! A little further afield are the 7-coloured sands of Chamarel, and the UNESCO heritage site of Le Morne mountain.

The coastal location offers great opportunities for water sports and sunbathing by the beach, and a short drive away is Tamarin beach, a popular surfing spot.

The West Coast also offers opportunities to go fishing, diving and to take catamaran trips to try to spy dolphins, and swim up to the famous Crystal Rock.
